

Available Programs Offering Eviction Prevention Assistance

Westchester County Department of Social Services

Family Assistance (FA) - Provides cash assistance to eligible needy families that include a minor child living with a parent (including families where both parents are in the household) or a caretaker relative. FA operates under federal Temporary Assistance for Needy Families (TANF) guidelines. Under FA, eligible adults are limited to receiving benefits for a total of 60 months in their lifetime, including months of TANF-funded assistance granted in other states. Once this limit is reached that adult and all members of his or her FA household are ineligible to receive any more FA benefits. The months need not be consecutive, but rather each individual month in which TANF-funded benefits are received is included in the lifetime count.

Safety Net Assistance (SNA) - Safety Net Assistance (SNA) provides cash assistance to eligible needy individuals and families who are not eligible for FA.

Emergency Assistance to Adults (EAA) - provides assistance for individuals and couples who have been determined eligible or are receiving SSI (Supplemental Security Income) or State Supplementation Program (SSP) payments.

Emergency Assistance to Needy Families (EAF) - provides assistance to meet the emergency needs of pregnant women and families with at least one child under age 18, or under age 19 and regularly attending full time secondary school.

Emergency Safety Net Assistance (ESNA) - provides emergency assistance to single adults and childless couples.
